## WHAT MAKES OUR HERBAL TEA SPECIAL?

---

As a matter of course, all herbal teas are caffeine-free, as they contain no tea leaves. Lotus herbal tea infusions are carefully crafted with hand-harvested herbs, aromatic flowers, healthful fruits, premium spices, roots, seeds, and rare botanicals from around the world, offering a wide array of aromas, flavors, and textures. Made in small batches for quality and freshness, each intricately blended lot is cupped for critical evaluation before packing. This ensures that the quality, complexity, taste, and exceptional character of the herbal tea infusion will contribute to good health, well-being, and overall balance.

## SUSTAINABLE PACKAGING

Our range of Lotus Herbal Teas are packed with due care to keep the aroma of herbal teas intact and longer shelf life. These are packed in golden tins to protect nature.
